## Our Mission

Founded in 1994, the Conservancy is a fund of the Allegheny Land Trust (see back panel). Our Mission is to promote education, appreciation and conservation of our community, and to encourage environmental stewardship of our natural resources as they affect Bradford Woods and our surrounding communities.

Our goals include maintenance of the Bradford Woods Reserve, trail building and maintenance and educating everyone about our local environment.

We meet on the 4th Thursday of most months at 7:00 p.m. in Borough Hall (back of the Fire Hall), located just north of the intersection of Wexford Run Road and Bradford Road. Check our website for updates and announcements.

## Our Accomplishments

The Conservancy has brought many programs and events to the Borough and revived some old ones. We funded a Conservation Easement on the Reserve that has ensured it will always remain a natural place for the community. We've worked with the Audubon Society, the Pennsylvania Forest Stewards, PennDOT, and other local organizations to bring expertise and community programs to Bradford Woods, including:

- Nature Walks & Naturalist Programs
- Family Events, like Earth Day and Storytelling
- Trail Building & Maintenance
- Native Forest Restoration & Tree Plantings
- Fire Hall & Borough Office Plantings
- Invasive Plant Removals
- Programs and Speakers on Native Flowers, Organic Gardening & More
- Decorative Brackets for Street Signs
- Property Visits with the Allegheny County Forester

## Annual Events
